Kundalini Rise

As humans we seek and then become our Divine Self, while the Divine Self is experiencing and knowing itself through the form. When I began my awakening process, I focused on the chakras, and how to open and balance them, through balanced actions, emotions and thoughts/neutral beliefs. Also Solfeggio frequencies heal chakra imbalances. Also good to know to balance the ida and pingala (balance female and male energies within- climb the Tree of Life). That is our portion of the awakening. The rest is the Divine Self descending into form and magnetizing/pulling the electric kundalini fire upward through the chakra centers.

In the big picture it is vibration matching. For Spirit to descend the Soul/personality raises its vibration. Then Spirit completes the process via the kundalini and clears the blocks so Spirit can dwell within the Soul/personality. ....So all we have to do is raise our vibrational response to experiences (called catalysts in the Law of One- it is not about the experience but rather our response to the experience that matters).....

Here is a quote from the Law of One about how the kundailini rises upward (my notes in parentheses)- "Each experience (kundalini rise based on vibration manifested in experience) will be sequentially understood by the growing and seeking mind/body/spirit complex (the person) in terms of survival (1st- root), then in terms of personal identity (2nd- sacral), then in terms of social relations (3rd- solar plexus), then in terms of universal love (4th- heart), then in terms of how the experience may beget free communication (5th- throat), then in terms of how the experience may be linked to universal energies (6th- third eye), and finally in terms of the sacramental nature of each experience (7th- crown)." - Ra/Law of One.

The Divine in me honors the Divine in you. Much love and light.
